Letter from the Director

It has been an absolute whirlwind since I drove up the mountain in March, but it is so good to be back at camp to serve in this new role. The Lord opened up doors as we prayed about coming to camp and we have been blown away by how He has continued to work during this transition. Bethany and the kids made the move over Easter weekend and are settling in well and we are starting to find our rhythm. Summer is fast approaching and we are so excited about the group of counselors that God has brought together. Please be in prayer for them as we get ready to kick off counselor training in just three weeks! This summer, our theme is **“Created with a Purpose”** and we will be looking at Jeremiah 29:11-13 about how He created us uniquely and that our purpose is to know Him and tell others what He has done! We look forward to what the Lord will do in the hearts of all those that step foot on the mountain. --Nathan Carroll
